

Dumaguete City has always been considered by the Philippine culturati as the Cultural Center of the South. Culture—in its various artistic modes from literature to performance to visual to film—has always had a home in our city.

The Cultural Affairs Committee of Silliman University hopes to elevate the status of our community—which is quickly emerging as one of the fastest growing cities in the Philippines—even further by taking our local artistic culture to new heights, starting with the coming Cultural Seasons of 2007-2008. Our goal is to bring top cultural acts, such as Repertory Philippines, Manila Symphony Orchestra, Ballet Manila, Bayanihan Dance Company, Ballet Philippines, Tanghalang Pilipino, Philippine Philharmonic Orchestra, or the Philippine Madrigal Singers, from all over the country for the cultural education of the community, and at a subsidized price. At the same time, we hope to nurture local talents for them to achieve artistic success nationally and internationally.

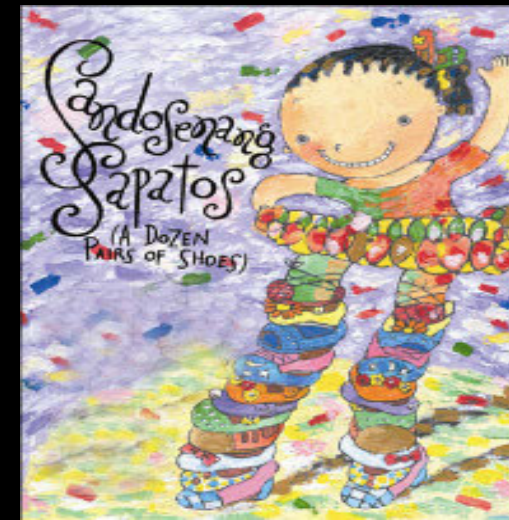

We acknowledge that you are a major patron of the arts in Dumaguete City. In this regard, we would like to request for your support in providing the community this cultural opportunity with a significant sponsorship for the coming cultural season. A sponsorship for CAC will give your company extensive exposure to the general Dumaguete community (as well as the Central Visayas region) for **six months** straight.
